High School, JC Visitors Here

More than 2,000 high school seniors and junior college students from the state of Washington as well as Oregon, Idaho and Montana will be visitors on the Central Washington College of Education campus this weekend to participate in the annual Senior Day activities.

These people, as guests of the college, will be shown around the campus by student guides. All departments, buildings and offices will be open to provide opportunities for visitors to get an over-all view of the campus.

Student visitors arriving by train or bus will be met by students with cars, who will bring them directly to the campus to register. Senior Day registration under the direction of Spurs, will begin at 4:30 p.m. today. The Science Open House and two late movies will be of interest to students who arrive today.

Leaders Decide On Constitution

The Student-Faculty Planning and Coordinating Board and the Student Government Association Council met in a joint meeting Monday night to decide how and when to present the revised SGA Constitution to the student body.

It was decided at the joint meeting to postpone the voting on the revised constitution so that some more work can be done on it. Dr. E. E. Samuelson, SFCB chairman, appointed a committee of students and faculty and administration members to completely go over the constitution section by section and submit it to the Board at a meeting next Tuesday evening.

Students asked to serve on the constitution committee include Norma Woodard, Marilyn Grove, Mary Moore, Dick Hull, George Worthington and Ken Baldwin. Faculty and administration members of the committee include Perry Mitchell, Dr. Elwyn H. Odell, Dr. Floyd H. Rodine and Dr. Samuelson.

As soon as the SFCB and the SGA Council think that the constitution is ready to be voted upon by the student body, the entire revised constitution will be run in the Campus Crier as prescribed by the present SGA Constitution. Friday, May 10, has been set as a tentative date for publication on the revised constitution in the Crier. Then a special constitution election will be held sometime after May 20 to vote on the revised constitution.

Mothers' Weekend Invitations Out

Invitations to the Mothers' Day Weekend activities have been sent to all parents of students, according to Marilyn Olberg, committee chairman. Miss Olberg further stated that students should invite parents personally for the activities on May 10, 11 and 12.

Open house plans for Saturday include visits to the dormitories which will be open from 4-5 p.m. Other buildings open are the College Elementary School, music, business education, classroom, science and ROTC buildings. In addition, there will be an art exhibit in the administration building. Visiting hours in the buildings will be from 9-12 a.m.

Orders are being taken for rosebud corsages for the mothers. Sales are being conducted by AWS members in the CUB.

A tennis match with Eastern Washington College will be held at Central on Saturday also.

RO Review Time Nears

Preparations for the spring review for Central's AFROTC Detachment are turning into the home stretch as the big day approaches. The review will be held on Tomlinson Field at 1100 hours Friday, May 3.

A team of inspecting officers high in the echelons of AFROTC will arrive in Ellensburg on May 1, and they will inspect facilities and troops on the second and third.

The three man team includes: Col. Lewis Pensign, PAS at Iowa State College, Lt. Col. Leon A. Smith, from Headquarters AFROTC, and Lt. Col. Dale L. Carstensen, University of Nebraska.

Along with the regular review and inspection by the officers will be the annual presentation of awards to outstanding and distinguished cadets in the wing. Included in the awards will be achievement scrolls, medals for outstanding cadets, and various

TEN LIVING GROUP REPRESENTATIVES WILL BE ELECTED from this group of candidates in the SGA spring election on Thursday, May 2. Next year's voting SGA Council will be composed of nine men and five women. The yet to be named Crier editor is a non-voting member of the council. Representative candidates shown seated left to right, Joy Barsotti, Carl McClinton, Gladys Weston, Dorris Cook, Jacque Neilsen and Sharon Faler. Second row left to right, Geraldine Poland, Dick Boudreau, Jean Hobbs, Alice Mason, Ann Cusworth, Carol Garinger, Doris Schorzman, Dave Annonen, Elmer Bailey, Bill Raschkow and Tom Reilly. Back row left to right, Del Zander, Mel Lindauer, Pat Watson, Roger Myers, Marilyn Scheda, Monte Wilson, Tom Pratt and Mike Austin. Seven living group representative candidates are not shown, they are, Bill Bergsma, Wayne Calkins, Lyle Kremer, Karen Cole, Happy De Roche, Bob Stanaway and Don Trimble.

Art Festival Features Annual Sketch Contest

Central's 12th annual Art Festival, a feature of Senior Day, has a variety of events for visiting high school students, according to Miss Sarah Spurgeon, Associate Professor of Fine Art.

The traditional sketch contest which attracted a hundred entrants last year, will highlight the day.

Demonstrations and exhibitions in clay, pottery, sculpture, painting, and print techniques will be conducted throughout the day. College art work will be displayed on the fourth floor of the administration building.

Visiting high schools are expected to bring their own exhibit materials and arrange them in A-300. In past years entries were sent in advance and arranged by the college, Miss Spurgeon said.

Judging of senior portfolios of students competing for freshman scholarships will be under the direction of Mr. Reino Randall, Associate Professor of Fine Art.

Luncheon will be served visiting teachers followed by an educational conference.

Harris, Budzius Announce Plans For S-D Royalty

Dave Harris and Marty Budzius co-chairmen of Sweezy Day, have been traveling around to all the dorms during the past few weeks, telling the students about Sweezy Day.

While they were at the dorms Harris and Budzius took a student poll concerning whether "King and Queen Sweezy" will be selected by a popularity contest or a drawing of couples' names. Thus far, the dorms seem to favor the drawing method. The registering of couples on campus and the drawing of the winning couple's ticket will be held on Sweezy Day morning, May 15, on Tomlinson Field.

Anyone wishing to voice their personal opinion on the method of the king and queen selection are asked to contact Marty Budzius.

Revamped Slate Of Candidates Named For Thursday's Elections

By SYLVIA STEVENS

When Central's big election scandal settled down this week, some of the old candidates were out and some new ones were in. Now the student body seems to be heading toward the polls on May 2 in much the same manner as they do to Vantage—in a slow and relaxed way.

Less signs are in sight, less heated talks in the CUB, and, yes, less extras of the "Campus Crier."

Whether it was political apathy or a return to the library, no one was sure. But election committee chairman Shirley Willoughby had this to say: "I am sure that the fine slate of candidates now run-

ning will give us excellent student government next year."

Many candidates, discouraged by the voiding of the primaries, dropped from the race or decided not to re-enter. Once again Inter-Club Council was forced to fill out a spotty slate because of lack of entries.

Four For Prexy

And as of Tuesday night, April 23, the following names will appear on the May 2 official ballot: For president—George Carberry, Chuck Hammill, Paul Schumann and Jerry Wenger.

For vice president: Ken Baldwin, Lee Haberling and Dave Perkins.

Secretarial candidates are Marilyn Grove, Carol Ozanich and Nellie Punch.

Up for social commissioner are Marty Budzius, Jerry Sorenson and Dick Wilson.

Rogel Announces Monetary Change

A monetary change has been made in the annual Eddy's Bakery Scholarship offered to college students living in Yakima, Kittitas or Benton Counties. This scholarship, originally awarding \$250, has been reduced to \$175.

Scholarship applications in the form of a letter are due in the Office of Public Service not later than May 1. A student may be considered eligible for any one of the scholarships offered whether he applies personally or receives a recommendation from a member of the college faculty.

"Scholarship bulletins for 1957-58 are still available in the Office of Public Service, A-205, to anyone who is interested in applying for a scholarship next year," stated Dr. E. B. Rogel, director of public service.

Selections of scholarship winners will be made in May and announced before the end of spring quarter.

PART OF THE FESTIVITIES planned for the visitors to the central campus this weekend includes Science Day and an open house in the Science Building. The agenda for the weekend includes the Senior Day activities today and tomorrow, the Art Festival on Saturday and the Science demonstrations today and tomorrow. Here George F. Beck, professor of geology, is showing a little fifth grader from the College Elementary School a specimen slide in one of the college's microscopes.

Welcome Tired Travelers

Welcome ye weary travelers who have traversed to Ellensburg, the home of Central Washington College of Education, to take part in the annual Senior Day, Art Festival and Science Day Activities.

We the students of Sweezy would like to welcome you to our campus and we hope that you will enjoy your visit to our college.

Tomorrow you high school seniors and junior college sophomores will have a chance to take a good look at Central. During the morning there will be campus tours and a mass meeting in the college to acquaint you with the campus and its facilities. Then, during the afternoon scholarship and athletic meetings, an Evergreen Conference baseball doubleheader between Central and our closest conference rivals, Eastern Washington College, tennis matches between the Central tennis squad and the Pacific Lutheran College tennis squad and an open house in all of the dormitories will highlight the day's activities.

Did you know that Central had the best college baseball team in the entire Pacific Northwest last spring and that several members of this team are back again this spring? Central's baseball team won 23 of their 25 games last spring and our two "ace" pitchers, who each won eight games last year, are both back again this spring. Coach Warren Tappin and his baseball team would like to see as many of you out for tomorrow's doubleheader as possible. This is your chance to see two top collegiate baseball pitchers, Stu Hanson and Gary Driessen, in action.

The Student Government Association Council is sponsoring those free movies you are seeing this weekend. We want you to notice the high caliber of films that are shown to the students at Sweezy for only one thin dime. This quarter for instance, some of the movies that we have scheduled include "Land of the Pharaohs," "Rains of Ranchipur," "Battle-ground," "House of Bamboo," "The Seven Year Itch," "Scarab-mouche," "The Girl in a Red Velvet Swing," "Brigadoon," and "Blackboard Jungle." What other colleges in the Pacific Northwest offer movies of this type to their student body for the low price of ten cents? Also over half of our SGA dime movies are in Cinemascope. Another added feature of our campus movies is the serial "The Sea Hound," which was started last quarter. If you want a good laugh be sure to stay and see chapter 12 of this exciting adventure of Captain Silver and his shipmates tonight after the late movie.

During your tour tomorrow morning you may get to wondering how 1,668 students, our winter quarter enrollment which was an all-time high, could attend classes in the buildings you see around the campus. That is only a very small problem at the present time and it is going to be remedied in the very near future.

The state legislature this spring gave the college a capital outlay of \$1,619,578 for buildings, campus improvements, the conversion of a boiler to natural gas, the installation of a closed circuit television system for instructional use. Part of this budget will be used to build a 1.3 million dollar health and physical education building and to complete the present classroom building. The board of trustees and the college administration also have plans to build additional educational buildings and dormitories in the near future.

In closing we hope that you enjoy yourself this weekend and if there is anything you need or want to know, please feel free to ask the help of any of the college students. Central has the reputation of being "a friendly college" and we want the chance to live up to this high esteem by the people of the northwest. If you get the chance, come back and visit us again some time this spring and we hope to see you registering for classes here at Sweezy next September 25.

"Smudge Pottee Scotty" Who Will Fill Her Shoes

What lucky Crier Miss (or Mrs.) will reign as Miss Turtle Trudge II on May 15? Who will follow in the footsteps of Miss Turtle Trudge I, Miss Carolyn Scott, who was noted for her column "Smudge Pottee by Scotty"?

Candidates for Miss Turtle Trudge II are Roberta Caldwell, Jan Crooks, Dorothy Dedrick, June Hanson, Janice Kothkoe, Dorothy McPhillips, Mary Marchese, Pat Morris, Sharon Saeger, Barb Smith, Marilyn Trolson and Cherie Willoughby.

These twelve gals are vying for the honor of being official starter at the Crier-sponsored Turtle Trudge, otherwise known as a turtle race, to be held the morning of Sweezy Day.

Voting will be done by penny vote all day May 6. Voting will be done in the information booth of the CUB. The winner and official starter for the Trudge will be announced in the May 10 issue of the Crier. Miss Turtle Trudge will also award the trophies for the winning and second place turtles.

Miss Scott, Miss Turtle Trudge I, is now teaching in Menlo Park, California. She held the title in 1953, the year she graduated. Miss Scott was Homecoming Stunt Night chairman and a member of Maskers and Jesters in addition to her work on the Crier.

Deadlines for entries in the Turtle Trudge will be May 10. Each entry blank must be accompanied by an entry fee of 10 cents. The official entry blank below and the entry fee are to be mailed to Box 50, CWCE.

Turtles must appear before a group of water color-equipped journalists at 9 a.m. the morning of Sweezy Day to receive their official colors. Requests for color combinations should appear on the entry blank.

SGA Officers Attend Meet

Several SGA officers left yesterday for the Evergreen Conference Student Association meeting held at Cheney on the Eastern Washington College campus.

Representatives from Pacific Lutheran, College of Puget Sound, Central, Seattle Pacific, Western, Gonzaga, Eastern, University of British Columbia and Whitworth will consider three more colleges for admission during this three-day conference. They are Seattle University, Whitman and St. Martins.

With President Jack Lybyer presiding, the group will discuss problems pertinent to college life and also elect new officers. The theme of this conference will be "Student Government in the American College." Some of the topics for discussion include intercollegiate athletics, foreign student planning, student government and the American college, and the role of various student body officers.

Shirley Willoughby and Wayne Heisserman will be discussion group leaders at two of the smaller group meetings. One of the social features of the conference will be the appearance of Les Elgart on the EWCE campus.

Men's Honorary Elects Parcell

Jack Parcell has been elected to head Alpha Phi Omega, the Boy Scout honorary, for the coming school year. Other officers elected at the April 17 meeting are John Moawad, vice president; Dave Annonen, secretary; and Bill Raschkow, treasurer.

The following pledges were initiated into Alpha Phi Omega on April 8 in the formal initiation ceremonies: Annone, Parcell, Moawad, Fred Kiser, Walt Pugsley and Ross Powell.

Crum Announces New Workshops

Four workshops scheduled for summer session will be offered for the first time at Central, according to Dr. J. Wesley Crum, dean of instruction.

Social Studies in Elementary Schools will be offered Aug. 5-16. Ralph Preston, professor of education from the University of Pennsylvania, will conduct the class. Preston is author of the text "Teaching Social Studies in Elementary Schools."

Aviation Education offered from July 22 to Aug. 2 will be conducted by Earl Sams of the California State Department of Education.

Arithmetic in Elementary Schools is scheduled for July 1-12 with Foster Grossnickle, professor of mathematics at New Jersey State Teachers College, conducting. Grossnickle is author of the college text, "How to Make Arithmetic Meaningful."

Students Petition SGA Council; Six Groups To Study Problems

BILL LETH, Crier Editor

Six committees, each composed of 28 students, have been set up by the Student Government Association Council to look into the six problems on the Central campus that these 168 students petitioned the SGA Council to look into. These students signed the five petitions that were submitted to the SGA Council during the recent upsurge of student interest on the campus.

The petition read as follows: "We, being a group of students who hope to develop something positive and constructive from the recent upsurge of student interest, endorse the following proposals as recommendations to the S.G.A."

First, we suggest that all SGA meetings be held in the College Auditorium or the CES Auditorium or an appropriate room. Second, we suggest that the time, place and agenda be posted in the CUB on Monday morning. Third, we suggest that one major topic be discussed at each meeting and that that topic be posted one week in advance. Fourth, we offer these following topics for consideration in the weeks to come:

1) How can the students get a better presentation of their problems in the Crier? 2) What rules should govern SGA elections? 3) What can and should be done about curbing violations of the honor code? 4) What can and should be done to improve conditions at Vetville? 5) What can be done and what is being done to raise scholastic standards here at Central? and 6) Should not the students have a voice in deciding what type of buildings are being built with student funds?

Chairmen were also selected to head the six committees and to report the committee's finding to the SGA Council. The chairmen are as follows: Topic one, Ken Baldwin; topic two, Al Stevens; topic three, Paul Schuman; topic four, Ed Metcalf; topic five, George B. Worthington; and topic six, Bob Rancich.

A report on the 1957 Sweezy Day was given to the council by co-chairman Dave Harris. He reported that plans for the May 15 event are coming along very well and that several new events have been added this year. Cash prizes will be given for acts in the Sweezy Day Stunt Night program this year. First prize will be \$10, second \$7 and third \$5. A committee of three students and three faculty members has been named to judge the acts.

The council voted to help support the Community Concert series again next year. For \$1300, or about one-third the cost of the series, Central students get to see the series free through their SGA. Ed Sands, Sigma

Grass Stomping Problem Solved

(ACP)—Board of Control members at South Dakota State College, Brookings, S.D., were worrying about how to keep campus jaywalkers off the grass.

"Let's have snow fences across those paths all year long," expounded Dave Christensen, student president, according to the COLLEGIAN.

"Better still," muttered another board member, "let's pile manure along the sidewalks. That'll keep em in line."

Mu president, reported to the council that over 800 students attended the last three Community Concert programs

It was decided by the council to send eight persons to the Evergreen Conference Student Association Spring Conference at Cheney this weekend and five persons to the National Student Association Regional Conference at Portland next weekend.

SGA President Lybyer with council approval appointed Molly Clough to serve as the junior representative on the Student-Faculty Planning and Coordinating Board for the remainder of the school year. Miss Clough replaced Donna Jenkins who did not return to college this quarter.

Russ Jones reported to the council on Central's Model United Nations delegation's recent trip to the MUN at Stanford University. Jones thanked the council and student body, on behalf of the delegation, for sending them to the MUN. He also told the council some of the high lights of the meetings.

The council also scheduled a mass student meeting for Thursday morning (yesterday) at 11 a.m. in the college auditorium to continue airing student gripes and questions. It was decided that all of the questions at this meeting would be from the floor and that they would be asked through the chairman.

Those attending the ECSA Spring Conference from Central include Jack Lybyer, SGA president; Shirley Willoughby, SGA secretary; Wayne Heisserman, SGA social commissioner; Bill Leth, Campus Crier editor; Wes Boardman, Off Campus representative on the SGA Council; and SGA presidential candidates Paul Schuman and Jerry Wenger.

LITTLE MAN ON CAMPUS

Drama Students Name Themselves Central Players

Central Players is the name chosen for the group of students who are presenting three one-act plays the evenings of May 21, 22 in the College Auditorium. The group is sponsored by Maskers and Jesters, Central drama honorary.

The plays include "The No 'Count Boy" by Paul Green, "The Monkey's Paw" by W. W. Jacobs and Louis N. Parker and "The Farmer's Daughter" by Ellis White. Casts are working on lines and stage movements.

"The Monkey's Paw" is the story of an elderly couple and their son. They are a happy family until an old soldier friend brings them a monkey's paw from India which has had a spell put upon it. Three people can have three wishes granted by the paw. They become possessors of the paw and make a wish. But to have a wish granted they find they must pay for it. After the horror of the first wish they finally make their other two wishes.

The cast tentatively includes Pat Short, Sharon Saeger, Jim Clark and Rich Nichols. Vera LeVesconte is the director.

"The No 'Count Boy" is a story about love in the southern United States. Enos is engaged to Pheelie when the no 'count boy enters the scene and tells about his travels. Pheelie believes him and thinks she would like to travel with him. About this time his mother arrives and tells the truth about the boy.

"PASS IN REVIEW!" THESE THREE WORDS WILL BE ECHOING off the Tomlinson Field bleachers on Friday of next week when the Air Force ROTC cadets of Detachment 895 hold their annual spring review. The review is scheduled to start at 11 a.m. and should last approximately an hour. This year's inspection team consists of three regular Air Force officers from the Midwest.

The cast tentatively includes Sam Johnson, Ron Frazer, Maria Lember and Karen Bainton. Dean Tarrach is the director.

"The Farmer's Daughter" is a typical melodrama. This one tells of the farmer's daughter who wants to go to the city and sing on Broadway. The villain, Ben J. Slick finds her and promises her fame, money and marriage. This develops until the hero Willie Singletree, saves the day.

The cast tentatively includes Dean Tarrach, Marty Fosnacht, Sandy Greenwalt, Dave Brannon and Ike Frazier. Directors are Maria Lember and Sam Johnson.

Foreign Journey Awaits Students

Ten European and Scandinavian countries will play host to a group of Centralites this summer as they tour many cultural centers.

Under the leadership of Reino Randall, associate professor of fine arts, the group will leave New York June 21, and return July 31. The 45 day tour will provide a visit to many of the cultural centers of Europe with scheduled sightseeing stops in selected cities. Interesting aspects of the trip will include visits with artists and

craftsmen, a boat trip down the Rhine, and a train trip from Switzerland to Italy. In addition to the various educational experiences, time has been allowed for the purposes of shopping, browsing, and simple relaxation.

Tour price which includes accommodations, meals, transportation and fees, amounts to \$1445. This price covers the expense of the trip to Europe from New York.

The class, which is eight credits, will be limited to 15-20 students. Interested persons should submit their names to Reino Randall, Art Department, CWCE, Ellensburg, Washington.

Williams Tells RO Promotions

Forty-four advanced Air Force cadets have been given promotions in the latest promotion order issued by Captain William V. Williams, commandant of cadets.

Promoted to Cadet Colonel was Donald M. Fujimoto. New Cadet Lieutenant Colonels are Eldon L. Peterson, Ross W. Simmons, John Liboky and Ervin Ely.

Cadet Captains promoted to Cadet Major are Chuck Burdulis, Remo Nicoli, Russ Jones, Bill Duft, Larry Downey, Santos Pantoja, Glen Martin, Malcolm Fisher, Ed Faust, Bill Tucker, Dean Wake, Neil Wallace, Robert Micholson, James Carlton, Darwin Nelson and Steve Doutrich.

New Cadet Captains include James Selig, Jim Hammill, John Tyner, Joe Batali, Wayne Roe, Benwick Mottley, Dean Bunce, Dave Perkins, Cliff Filleau, Thomas Rugh, Patrick McNeil, Dave Searce, Ralph Sires, Bill Hooper, John Wilson and Ed Tyler.

Cadet Second Lieutenants given promotions to Cadet First Lieutenants are Alfred Johnson, Walter Moore, John Lester, Carl Lindahl, Ted Foote, Hugh Hinson and Dee Monson.

Richard Cash was promoted to Cadet Second Lieutenant.

Newman Clubbers Pick Miss Conrad

Barbara Conrad was elected president for fall quarter at a meeting of Newman Club Monday evening.

Vice-president for next year will be Donna Cavadini. Pat Haigh will represent the club at UCCF along with Miss Conrad.

Members of the club have been invited to the home of Miss Amanda Hebel of the education department for a patio breakfast on May 19.

A Northwest regional executive meeting of the National Newman Club Federation will be held at the University of Idaho on May 24 and 25 in which Central's chapter will be represented. Miss Cavadini is secretary for the province and Miss Conrad is the extension chairman of the national organization.

Next week's meeting will be highlighted with a discussion on Holy Week.

WESLEY CLUB

On Sunday, April 14, Wesley Club officers for the coming school year were elected. They were the following persons: President, Cherie Willoughby; vice president, Don Tremble; secretary, Carolyn Ward; treasurer, Kathy Carstens; U.C.C.F. representative, Don Robertson. Other positions will be appointive.

The meeting of April 21 consisted of a Hobo stew.

May 26, 27 and 28 marks the date of the MSM Conference to be held in Wenatchee. The theme will be "Deeping the Discipline of Criticism and Doubt." The main speaker will be Jameson Jones.

Other Wesley groups from all over the state will be present at this conference. On May 28, after arriving home from the conference, Wesley Club will attend the UCCF joint meeting to be held at the Episcopal Church. At this time officers for the new UCCF council will be installed.

UCCF

Next Friday, May 3, 1957, the members of the United Council of Christian Faiths will be washing and polishing cars at the west side of the Cub from 10:00 a.m. to 4:00 p.m.

One dollar will be charged. All proceeds will be used to pay the deficit encountered by the sponsoring of the International Festival.

Disciple Student Fellowship

The Disciple Student Fellowship group of the Christian Church will hold a car wash on May 25. Hours for the car wash will be from 9 a.m. to 4 p.m.

The charge of one dollar will be the price of the car wash and a vacuum job.

Spring Election Schedule Told

Rules and a schedule for the SGA spring election were announced at a meeting for all of the candidates Tuesday afternoon by Shirley Willoughby, election committee chairman.

The day by day election schedule as announced by Miss Willoughby is as follows:

Monday, April 29

Presidential candidates will meet in the SGA office promptly at 9:15 p.m. to begin the official tour of the dorms. Presidential candidates are asked to give a five minute speech in each dorm. Dorms to be visited include: Wilson, 9:30 p.m.; North and the Pre-Fabs, 10 p.m. and Kennedy 10:30 p.m.

Tuesday, April 30

All candidates are asked to meet in the men's gym at 6:15 p.m. for a political rally. Presidential candidates are asked to have prepared a five minute speech. (Candidates are urged to have demonstrations which will increase their time limit from five to 10 minutes for presidents and three to five minutes for other officers.)

Wednesday, May 1

Presidential candidates are asked to meet in the Classroom Building at 7:15 p.m. for the Off Campus meeting. Presidential candidates will speak again. Vetville students are urged to attend this meeting.

Presidential candidates will again meet in the SGA office at 9:15 p.m. to tour the following dorms, Munson at 9:30 p.m., Kamola at 10 p.m. and Sue at 10:30 p.m.

ALL CANDIDATES MUST HAVE CAMPAIGN MATERIALS TAKEN DOWN BY MIDNIGHT OR THEY WILL BE DISQUALIFIED IN THE ELECTION.

Thursday, May 2

SGA spring election. Voting will take place in the dining halls and the CUB. Results will be announced at the Watch Night Dance.

THAT DOME ON TOP OF THE SCIENCE BUILDING is the observatory which houses Central Washington College's eight inch telescope. The observatory will be open for inspection this weekend during the Science Day activities. Ted Bowen, assistant professor of physical science; Dr. Wilfred W. Newschwander, associate professor of chemistry; and Dr. Edmund L. Lind, chairman of the Science and Mathematic division, are shown discussing the workings of the telescope. The telescope has a time setting which makes it possible for an observer to follow a certain star clear across the sky.

Focus On Characterization, Movements Set By Cast

As the production dates of May 8, 9 and 10 approach the cast of "The Rainmaker" are giving attention to the fine points of characterization, timing, stage movements and technical facilities. All set pieces have been completed, and memorization is on schedule. Milo Smith, the director, said.

The male members of the cast are trying to collect items of western clothing such as Stetson hats, western shirts and cowboy boots. Smith announced that he would like any students wishing to volunteer any piece of clothing to contact him any time between now and May 1.

All units of the set made by the stage crew have been made on casters or into collapsible units so that the stage can be easily cleared for concerts, assemblies and other programs that use the stage. Painting of the set and accumulation of stage properties are the main projects of the stage crew at the moment.

Members of the stage crew are Sam Johnson, Don Bluhner, David Search, Ken Brown and Hugh Hinson.

Loretta Johnston is rehearsal prompter. Sandy Greenwalt and Grace Keesling are handling the properties, while Jim Webster takes care of the sound effects. Hinson and Miss Keesling are working on lighting. John Draper and Norma Woodard are in charge of makeup. Sharon Saeger is doing

New Committee Lays Plans For Health And PE Plant

Central's new million dollar health and physical education building may be on the drawing boards early this summer due to the efforts of the Health and Physical Education Building Planning Committee which was recently appointed by CWCE President, Dr. Robert E. McCon-

nell. The committee at their first meeting on Wednesday, April 17, decided to invite the suggestions of students, faculty and staff members to aid in the pre-planning of the new \$1,300,000 health and physical education plant. It is the desire of the committee to make this plant functional to the needs of everyone on the Central campus.

Members of the Health and Physical Education Building Planning Committee are the ten members of the staff of the Division of Health and Physical Education; Dr. J. Wesley Crum, Dean of Instruction; Dr. Eldon Jacobsen, representing the Faculty Council; Dr. A. H. Howard, Division of Education and Psychology; Wayne Hertz, Division of Music; and Major Ray Schwendiman, Air Force ROTC. Leo Nicholson, Chairman of the Division of Health and Physical Education, is chairman of the group.

This committee has two main functions. To plan the educational facilities of the new plant and to select a sub-committee of five from the group to work as a steering committee with the president in choosing an architect to construct the plant. The sub-committee has already been selected. Chaired by Dr. Wesley Crum, its membership includes Nicholson, Mrs. Alyce

Cheska, Dr. Howard and Dr. Eldon Jacobsen.

In the initial stages of planning such an extensive plant, the committee discussed the necessity of determining the various programs to be housed in the new building. In considering especially the instructional, recreational and intramural programs, members of this group felt that constructive suggestions from the students and other members of the faculty and staff would be highly desirable.

In addition, the sub-committee would welcome any informative suggestions pertaining to architectural firms with experience in the design and construction of physical education facilities. Suggestions in the areas mentioned should be made to any of the committee members soon, since this group must submit a report through the President to the Board of Trustees June 1, according to Nicholson.

"The committee will meet regularly every Monday during Spring Quarter," stated Nicholson, "in hopes that the planning may be completed in time to begin construction not later than this fall."

Vetville buildings were purchased in 1946 from local and federal funds at a cost of \$112,500.

SGA CANDIDATES for next year face the camera with a smile—for vice president: Dave Perkins and Lee Haberling (missing is Ken Baldwin); for social commissioners: Jerry Sorenson and Marty Budzius (missing is Dick Wilson); for secretary: Nellie Punch, Marilyn Grove and Carol Ozanich.

will be the Home Economics fashion Review, demonstrations in Science and Art, sports events and a student reception in the College Union Building.

Seniors who wish to apply for scholarships or student employment may attend the special interviews in the College Library from 1 to 3 p.m. tomorrow.

To wind up Senior Day festivities, everyone is invited to the free All-College Dance in the Men's Gym from 9 to 12 p.m. tomorrow night. Closing time at all the women's dorms on Friday and Saturday nights will be 1 p.m.

"All students on campus are invited to attend the open house on Saturday.

"This will provide an opportunity for underclassmen to learn more about Central and will also help those who are undecided about their programs to get a better view of the various departments," Edward B. Rogel, Director of Public Service, said.

Old Salts Chase Gorgeous Lana

John Wayne receives top billing in tonight's movie, "The Sea Chase." A renegade crew is tempted by a beautiful woman played by Lana Turner. Adventure and drama on the high sea involves a deadly trans-ocean chase, a mutiny and a storm at sea.

The late movie "Them" stars James Whitmore, Edmund Gwenn and Joan Weldon. Panic grips America, as mysterious giant creatures appear in the New Mexico desert. State Police and the FBI fail to cope with the monsters, which travel through 700 miles of storm drains into Los Angeles. The Army finally takes over and martial law prevails before the climax of the picture.

In Saturday night's Cinemascope, Marilyn Monroe causes a kind hearted summer bachelor no end of trouble. "The Seven Year Itch" finds Tom Ewell taking the good neighbor policy to heart and producing a good deal of comedy.

Band Performance Scheduled May 1

Central's concert band, under the direction of A. Bert Christianson, will present a program May 1 in the college auditorium at 8:15. Selections to be played are from the program rendered by the band at the General Session of the Northwest Division of the Music Education National Conference at Boise, Idaho, April 4.

"This is the finest band we have had in ten years and I feel that the students of Central and the people of Ellensburg should be given the opportunity to hear it," said A. Bert Christianson, director. There will be no charge for the program.

Rodeo Tickets On Sale Soon

Tickets for the May 4 and 5 College Rodeo Competition will go on sale next week in the CUB information booth, according to Joe Wilcoxson, Rodeo Club president.

Schools competing in the event will be Eastern Oregon College of Education, University of Idaho, Washington State College, Fresno State College and California Polytechnical.

Final preparations are being made by the host Central club this weekend at the rodeo grounds. The Kittitas County Calf Ropers will help erect calf roping barriers.

Students who do not wish to wait until next week to buy their tickets may purchase them now at the Chamber of Commerce or in the Antlers Hotel.

Sigma Mu Schedules Mrs. Joanne Scholer

"Problems of a First Year Teacher" will be the topic of a discussion led by Mrs. Joanne Scholer at a special Sigma Mu Epsilon meeting Tuesday, April 30, at 7:30 p.m. in the College Elementary School social rooms.

Mrs. Scholer is now teaching in the Ellensburg School system.

A big welcome to the high school seniors on campus this weekend; we hope that you have an enjoyable visit while at our school.

Although you are probably very interested in our present facilities, we would like to point out a structure that will soon be one of the finest buildings on the campus—that is our new Physical Education Building, which is now in the planning stage and should soon be on its way as the real thing. After several years of effort on the part of many of Central's staff and administrators, the 1957 legislature finally granted us the much-needed funds for this vital building.

At the present time, there is a 15-member board working on general planning for the structure, and a five-man crew working on the architectural details of the building. Although no definite details have been decided upon as yet, general opinion seems to point to a three-unit building, with a field-house, gymnasium, and swimming pool as the main features of the plant.

Leo Nicholson, Central's Athletic Director and basketball coach for the past 28 years, says of the building, "I think that we will have a plant that will fully meet any needs that we might encounter." The much-respected mentor went on to add that the new building should provide for instructional, recreational, intramural, and inter collegiate athletics with comparative ease. "We have a fine committee working on the building now, and they have some very fine ideas," Nicholson added.

So-o-o, you visiting seniors . . . don't go away without finding out about some of the new additions to the campus that will soon be ours. We are proud of our school now, and most certainly the new buildings and improvements scheduled in the near future are going to add greatly to that pride. We'll hope to see you back with us next fall.

Although men's athletics play the most important role on our campus, the girls aren't completely left out of the picture, either. Two organizations on campus, PHREMMS and WRA, provide girls with activities of their own.

PHREMMS is the professional group of the two, consisting of Physical, Health, and Recreation Education Majors and Minors, as the name implies. This group, consisting of 30 some members, holds one meeting each month with a professional person as a guest speaker. The club sponsors the concessions at the Homecoming football game, and along with a car wash each spring, raises enough money to award a \$50 scholarship to some physical education major or minor each year—a fine gesture in any man's language. In addition, the club also sponsors a high school sports day (scheduled for May 18 this year) which annually draws 200 or more girls from the nearby area for a weekend of activity. Two hundred-twenty girls are already registered for this year's sports day, with more still expected to send in replies.

WRA, Women's Recreation Association, on the other hand, is open to every girl on campus and every girl at Central is urged to take part in their activities.

The WRA sponsors activities each quarter for girls on campus—during fall quarter a volleyball tournament is set up between dorms with a trophy awarded to the winning dorm. The same is true with a basketball tournament during winter quarter. During spring, the sports are divided between ping pong, badminton, and softball. WRA generally draws at least two teams in each sport from each girl's dorm for inter-dorm competition.

In addition to their sports schedule, WRA also sponsors a camping trip, a car wash, and a mixer in their agenda of activities. Each year the group sends a team to represent the college in tournaments throughout the state, such as the hockey tourney at WSC or the basketball tourney at the UW this year, and on our own campus the girls schedule the gym from 10-12 a.m. during winter quarter to provide for recreation.

These girls have a lot on the ball, in my opinion. Although we on the sports staff give our main publicity to the men's sports, we certainly cannot overlook the fine work the girls are also doing. These two clubs give every girl on campus a chance to have a bit of relaxation of their own . . . hats off to them.

Baseballers, Tennis Team Play At Home

Tomorrow afternoon will provide a full slate of sports for the Senior Day weekend as Central's baseball squad tangles with the Eastern Washington College Savages in a double-header on Tomlinson Field and the Wildcat tennis team squares away with Pacific Lutheran's racketmen on the local courts.

Central's baseballers, last year's conference champions, will need a double win over the Savages tomorrow if they are to stay in contention for the title. The Cats have a one-win one-loss record after splitting with Whitworth last week. Central hitters are finding the range with freshman catcher Jim Routos and Gene Townsend hitting the ball in regular fashion. The Wildcat pitchers getting the starting nod in Saturday's tilts are Stu Hanson in the first game and Bill Bieloh or Gary Driessen in the final game.

The Savages have only four returning lettermen; only one of those is a pitcher. The entire Eastern pitching staff consists of only four hurlers.

The Central tennis team, after gaining a split in their two matches on the road last week, will play host to the Pacific Lutheran Gladiators tomorrow.

The Wildcats dropped their first match to College of Puget Sound 4-3 and then downed Western 5-2, to look good in their first taste of competition this season.

The Central thincads journey to Cheney this Saturday to invade the lair of the powerful Eastern Washington Savages. The Savages are picked as possible conference champs. Eastern beat Idaho last week 80½-50½. Freshman Gary Fuller has been winning both hurdle events and placing very well in the high jump. Lyle Balderson has hit 9.9 in the 100-yard dash.

Central has been plagued with injuries and probably won't be at full strength. Denny Driskill has a back injury and is a doubtful starter. Bud Snaza is out with a groin injury and high jumper Jim Marta has been out with a spiked foot. He will be jumping but will no doubt be hampered by the foot. Gary Correll has injured his elbow and probably will not be at top form in the javelin event.

Ardenburg Elected As Prexy Of PHREMMS

Bonnie Ardenburg has been elected as the new president of PHREMMS for the coming school year. Elections held by the group on April 16 named Miss Ardenburg to succeed Carol Garinger as the leader of the club.

Other officers who will begin their duties next fall are Marge Benton, vice-president; Bev Loudon, secretary; Cherie Rutledge, treasurer; and Virginia Rice, publicity.

CENTRAL'S THREE TOP PITCHERS AND THEIR BOSS relax on the front steps of the gym after a brief team meeting Tuesday. Gary Driessen, left, Bill Bieloh, top, and Stu Hanson, far right, laugh at one of coach Warren Tappin's jokes. Hanson will be taking over the pitching chores in one of the games tomorrow against Eastern, while either Driessen or Bieloh will start the other end on the doubleheader.

Cats Split Baseball Opener In Whitworth Doubleheader

Wildcat base hits were at a premium last Saturday as the Central nine hit safely eight times and scored three runs in two games to earn a split with the Whitworth Pirates in the Cats' first conference games played in Spokane.

Central took the opener 2-1 and lost the nightcap 3-1.

Strong-arm Stu Hanson twirled 10 innings in the first game and was given credit for the win. Hanson gave up eight hits and struck out 12 in his winning effort. Pirate chucker Bob Washburn allowed the visiting team only five hits, struck out 13, but still dropped it, 2-1.

Whitworth started and finished their scoring in the first inning on a two-bagger and a single. Central came right back with the knotting run in the second. Hanson walked, went to second on an error and scored on Gene Townsend's single. It stayed that way until the top of the tenth when Jerry Jones walked. An error moved him to second and a Don Carlson bingle pushed him in.

The Wildcats drew first blood in the second game. Chuck Burdulis drew a base on balls, moved to second on a ground ball to short, and rambled in on Gary Driessen's single. Whitworth used a walk, three singles and an error in the fourth inning to win the game. Bill Bieloh toured the route for the loss while Bob Finnie was winning for the Pirates.

The split double bill gave Central a 3-6 season's record.

First Game:

	R	H	E
Central	0	10	000 000 1-2 5 4
Whitworth	1	100 000 000 0-1 8 4

Tracksters Top Western, 72-59

Central Washington's Wildcats coasted to a 72-59 win over the Vikings of Western in their second dual meet of the season last Saturday in Ellensburg. The Cats took points with seven firsts and many seconds and thirds.

Larry Hinchin and Gary Lee paced the Wildcats with wins in two events each. Hinchin ran three miles in winning two races. He ran the mile in 4:37.0—ten seconds faster than last week—and the two mile in the good time of 10:12.3. Lee tossed the shot 45'8½" and whirled the discus 128 feet 4 inches in his winning efforts.

Three dual meet records were eclipsed by the tracksters in Saturday's competition. Jim Marta and Bud Snaza tied at 5'10¾" to chop an inch off the old high jump standard. Western broke two records—one in the 440 and another in the mile relay. The Vik's Bob Phillips race to a 50.4 time in the once around while the relay team was doing a 3:30.6 mile.

Freshman flash Denny Driskill ran third in a 9.9 century and then hung up his spikes for the day. The speedster still is bothered by an old back injury which was aggravated two weeks ago.

The Wildcats face powerhouse Eastern at Cheney tomorrow with hopes of handing the Savages their first loss of the present track campaign.

The results:
100—1. Colcana (W), 2. Napper (W), 3. Driskill (C). Time—9.9.
220—1. Napper (W), 2. Phillips (W), 3. M. Higgins (C). Time—23.1.
440—1. Phillips (W), 2. M. Higgins (C), 3. Bowen (C). Time 50.4.

CENTRAL'S VARSITY TENNIS SQUAD lines up for the camera in an early-season turnout on the local courts. Shown from left to right are Don Franklin, Jim Hanson, Denny Ross, Charles LeSueur, Stan Cowan, Don Ball, Ken Sturm, Ben Smith, Dick Smith and coach Everett Irish. Although Irish has been burdened with the handicap of having no returning lettermen back this season, the squad has looked good in its opening matches. The team dropped a close one to CPS last Friday, 4-3, then came back on Saturday to dump Western handily, 5-2. The Cats are scheduled to meet PLC on the home courts tomorrow afternoon here at Central.

Sportrait Driskill Versatile Man On Cinders

Destined to pile up many points for Central Washington's track team is this week's Sportrait feature, Denny Driskill. Very versatile, Driskill performs in the 100 and 220 yard dashes, the broad jump, and the 220 yard high and low hurdles.

Driskill was born and raised in Spokane, Washington. Attending John Rogers High School, he was an all-around athlete. Be-

Denny Driskill sides lettering in track for three years, Driskill lettered two years in football and baseball. In football, he was an All-City end, and, this past season at Central,

Cat Tennis Squad Loses To CPS, Defeats Vikings On Coastal Jaunt

Central's tennis team opened up its 1957 season on the coast last weekend and came home with a split pair of matches, dropping the opener to CPS, 4-3, and winning the second against Western, 5-2.

Chiefs Drop Cats In Night Contest

Central's baseballers dropped their third straight game to the Wenatchee Chiefs of the Northwest League at Wenatchee Monday night, but the Cats looked good even though they came out on the short end of the score, 10-7. Playing under lights for the first time in several years, the Cats banged out 10 hits against the professional pitching and Gary Driessen twirled a nice game for the Cats in holding the Chiefs to 12 hits.

Wenatchee opened their scoring in the first inning with a single run and added two more in the third for a 3-0 lead early in the game, but Central came back strong in the fourth, with singles by Stu Hanson, Gene Verley, Jim Routos, and Gene Townsend paving the way for four Central runs and a 4-3 lead.

It was Wenatchee in their half of the fourth that tied it up at 4-4, then the Chiefs added three more in the fifth and single runs in the sixth and seventh to sew up the victory. Central tallied two runs in the sixth with Verley, Routos, and Townsend leading the way again, and added a single run in the eighth, but was unable to make up the big margin.

he was selected as the outstanding Wildcat frosh football player. Last year, on the straight track, Driskill was the state high school low hurdles champ; his record time was 19.4 seconds.

Driskill stated that "we have a great potentiality in this year's track team and we should do pretty good in conference competition."

Central will be without the services of Driskill next year as he is planning to start a two-

Ken Sturm and Bill Daniels were the big guns in the Central attack in the singles division with a pair of wins apiece, and Jim Hanson and Daniels took over in the doubles for another pair of victories. Hanson also picked up a singles win, and Stan Cowan and Sturm also took a doubles win.

The squad's scheduled opener against PLC last Thursday afternoon was rained out just after the match got under way. The Cat squad then moved to the CPS campus for their first completed match on Friday and on up to Bellingham for Saturday's meeting with the Western racketmen. Central was scheduled to meet Western on the local courts yesterday, and will again be in action tomorrow in an another attempt to tangle with PLC, this time on the Central courts.

CPS meet results:
Singles—Ruff (CPS) defeated Cowan (C), 6-0, 6-1; Davidson (CPS) defeated Dalesky (C), 6-2, 6-4; Sturm (C) defeated Schalín (CPS), 3-6, 6-3, 6-3; Scott (CPS) defeated Hanson (C), 6-1, 6-2; Daniels (C) defeated Driskill (CPS), 6-0, 6-0. Doubles—Ruff and Scott (CPS) defeated Cowan and Sturm (C), 6-3, 6-0; Daniels and Hanson (C) defeated Schalín and Davidson (CPS), 7-5, 7-5.

WWCE meet results:
Singles—Endersby (W) defeated Cowan (C), 6-3, 6-1; Eaton (W) defeated Dalesky (C), 6-3, 7-5; Sturm (C) defeated Mofett (W), 7-5, 6-1; Hanson (C) defeated Bianchi (W), 6-3, 4-6, 6-0; Daniels (C) defeated Munro (W), 6-3, 6-3. Vetville, Off Campus V, Kennedy I, and Off Campus IV are the only unbeaten teams in the second week of Men's Intramural Softball competition. Vetville and Off Campus V have waded through their first games and are deadlocked for the top spot in the National League, and Kennedy I and Off Campus IV are in a similar race in the American.

With eight teams in both leagues, the action has been fast and furious. Most games follow the pattern of the old fashioned donnybrook—in fact, one game last week produced 33 runs in three innings, with Wilson I topping Wilson II 18-15.

All players are battling for a spot on the MIA all-star team which meets the faculty in the annual classic on Sweezy Day, May 15. The number of teams and the length of the season necessitates the selection of such a team. In past seasons the champions of MIA played the faculty.

Faculty Bowling Taken By ROTC

With the close of the faculty bowling league, the ROTC department had another feather in its cap as it walked off with the top spot in the league. The team won 33 and lost 19 to claim top honors. Next in line was the Education department with a 30-22 record.

Dr. William Newschwander of the science department was the top man as far as individual statistics go. Newschwander rolled a 242 game and a 587 series to top all comers in either department. He also piled up the highest season's average, a respectable 163. Ed Rogel came the closest to Newschwander's high game with a 222. Art Ladd came the nearest in high series with a 540, and Bill Williams held a 161 average throughout the season to rank second in that department.

Several faculty members maintained an average of 150 or above throughout the season, including Newschwander, 163; Williams, 161; Floyd Yost, 158; Ladd, 156; Dean Stinson, Monte Reynolds, and Bud Tarrant, all 155; and Ray Schwerdiman, 150. Miss Lorraine Flower, the feminine face in the league from the P. E. department, racked up a 140 average for herself, a reputable mark for any woman and an average that bested that of many of the male faculty members.

A student team stepped in for the last four weeks to fill the shoes of the Administration team, and that group won 11 and lost only five, compared to a 5½-30½ record piled up by the original team in nine weeks. Several of the student members rolled fine games in the four weeks, and Carl Tinglestad, Ray Munson, Larry Mayberry, and Hugh Glover all had averages in the 160's.

FOCUS ON CENTRAL...

Sweecyites Participate In Various Student Activities

CENTRAL STUDENTS IN THE teacher education program spend one quarter doing practice teaching in either the Ellensburg, Thorp, Kittitas, Wenatchee, Yakima or Vancouver school district. During this quarter the future teacher receives an opportunity to observe a teacher in action and also a chance to do some actual teaching. Jack Lybyer, Central's Student Government Association President, did his student teaching in the sixth grade at the College Elementary School. Here he is shown helping two of his students with their arithmetic.

BEFORE CLASSES, BETWEEN CLASSES, AFTER CLASSES AND during the evenings the students can be found relaxing over a cup of coffee in the College Union Building snack bar. The snack bar is open from 8:30 a.m. to 10 p.m. Monday through Thursday, from 8:30 a.m. to midnight on Fridays, 10 a.m. to midnight on Saturday and from 10 a.m. to 11 p.m. on Sundays. Workers in the snack bar consist of four full time workers and several part time student workers. The student workers in the snack bar receive 80 cents an hour which will be raised to 90 cents an hour at the start of fall quarter. The records for the jukebox in the snack bar are bought by the Student Government Association.

ONE OF THE HIGHLIGHTS OF WINTER QUARTER was the Wilson Hall All-College Pajama Dance in the men's gym. Most of the all-college dances are held in the men's gym or in the Sue Lombard dining hall. The couples were arrayed in all types of night clothes from plain nightshirts to brightly colored pajamas. This dance was one of the couples-only dances held on the campus this year. Each quarter there are several "big" dances and then almost every weekend there is a smaller dance. These dances are only part of the varied social program that is offered at Central to help the students relax during the weekends. Hay rides, skating parties, SGA dime movies, Bingo parties and CUB recreation nights are only some of the other weekend activities offered the students.

A LARGE PERCENTAGE OF THE STUDENTS at Central are working their way through college with part time jobs around the campus. Students who want to work can get jobs as secretaries, dishwashers, janitors, servers in the dining halls, librarians and several other jobs, all of which will pay 90 cents per hour next year. There are part time jobs to fit any schedule as some of them are for 5 a.m. while others are for late in the evening after dinner. Dan Fitzmorris, left, and Ray Hilts are shown working in the Commons kitchen.

AIR FORCE ROTC is the second largest student organization on the Central campus. It is required course for all freshman and sophomore men unless they are otherwise exempt. Students who take the entire four year ROTC program are commissioned second lieutenants in the United States Air Force upon graduation. While the students are taking the advanced ROTC program they are paid 90 cents per day besides receiving college credits for the classes they attend. The basic cadets receive only credit. Pat McNeil, left, and Nathan Olney, were both picked as cadets of the week earlier this year.

THIS IS DORMITORY LIFE IN WILSON HALL, THE LARGEST men's residence hall on the Central Washington College campus. These five "characters" are modeling the latest dormitory fashions. Actually this is a committee of Wilson Hall men who did the planning for the Wilson Hall "Sleepy Time Gal" dance which was held last quarter. The rooms in the men's dorms are either single or double rooms. All of the dorms will be open for inspection tomorrow, this includes both the men and women's dormitories. Variety seems to be the by-word in decorating the rooms in the dorms. In the girl's dorms will be found stuffed animals and souvenirs from dances while pictures from leading collegiate magazines and beer signs are the thing in the men's dorms.
